

### 1. From a northern direction

Take the A 31 from Gronau/Ochtrup in the direction of Bottrop.  
 At the exit marked Gescher/Coesfeld turn right onto the B 525.  
 Continue in the direction of Gescher/Stadtlohn.  
 After approx. 5.3 km on the B 525 enter roundabout.  
 At the 2nd exit leave roundabout in the direction of Südlohn.  
 After approx. 700 m (pass below HV line) turn right and then turn immediately left.  
 After approx. 100 m you will see the Gescher/Velen field site (compressor station).

### From a southern direction

Take the A 2 and come off at the Bottrop junction.  
 Change to the A 31 in the direction of Emden.  
 At the exit marked Gescher/Coesfeld turn left onto the B 525.  
 Continue in the direction of Gescher/Stadtlohn.  
 After approx. 5.3 km on the B 525 enter roundabout.  
 At the 2nd exit leave roundabout in the direction of Südlohn.  
 After approx. 700 m (pass below HV line) turn right and then turn immediately left.  
 After approx. 100 m you will see the Gescher/Velen field site (compressor station).
