

1. From a northern direction on the BAB 44 Mönchengladbach-Aachen

At the Aachen junction turn right in the direction of the BAB 4 to Antwerpen/Heerlen. Just after the Aachen junction keep left in the direction of the BAB 544 to Aachen-Rothe Erde/Würselen. Take the first exit (exit marked Würselen/Verlautenheide) and turn right in the direction of Stolberg. After approx. 2.5 km turn right in the direction of Brand. After approx. 150 m you will see the field site (compressor station) on your left in the forest.

navigation instruction:

Heckstraße/Ecke Verlautenheidener Straße
 52080 Aachen

2. From an eastern direction on the BAB 4 Köln-Aachen

At the Aachen junction continue straight on in the direction of the BAB 544. Take the first exit (exit marked Würselen/Verlautenheide) and turn right in the direction of Stolberg. After approx. 2.5 km turn right in the direction of Brand. After approx. 150 m you will see the field site (compressor station) on your left in the forest.
